

Hearing Aids

Some hearing aid centers try to motivate you by having "specials" for "3 days only."
Not at Hear-Tech!

HearCare™ Exclusively at Hear-Tech:

Lifetime free hearing aid batteries*...

*Free batteries are averaged to 60 per patient - per year.

Lifetime free in-house cleaning and repairs...

Lifetime warranty on your aid's microchip...

Lifetime free ear cleaning (wax removal)...

Lifetime free accessories (tubes, tips, filters)...

Lifetime free hearing aid adjustments...

Lifetime free loaner aids...

Lifetime free hearing tests...

Your Hearing Specialists...for life!

Don't pay \$2000 more for the same exact hearing aids:

A Global Innovator of hearing technology Since 1964!

Hear well for less!

- 4 different prescriptions for different listening environments, available at the touch of a button on the aid or via the remote control
- Highly advanced feedback management that delivers more useable amplification without feedback (whistling), allowing you to use a larger vent which provides more natural hearing
- Instantaneously reduces the level of loud noises, while maintaining the quality and intelligibility of human voices
- Speech enhancement
- Eight frequency adjustments provide more flexibility for shaping an accurate prescription
- Noise reduction and directional microphone system for suppressing background noise
- Wind noise manager
- Data logging
- Low battery warning
- Remote control with volume control and prescription change button available
- T-coil for easy telephone listening
- 3 year warranty

Virtually Invisible!

Any shape or size, for any loss: **\$1295 each. Save \$2000!** Per Pair

Saving \$2000 on your hearing aids is great, but...

Why pick Hear-Tech Labs as your Hearing Healthcare Provider?

Caring, professional service is our heartfelt mission!

- 1) **Quality:** We only offer quality, name brand hearing aids.
- 2) **Service:** Lifetime free cleanings and adjustments.
- 3) **Price:** Lowest price in Colorado, guaranteed. Our patients saved an average of \$1400 per pair. Lifetime free batteries (60 per year)!
- 4) **Selection:** We offer hearing aid technology developed by Phonak, Uniltron, Siemens, Rexton, Electone, Sebotek, Hansaton, Resound, Starkey, Sonic Innovations, Bernafon and many others.
- 5) **Dependability:** Serving the hearing impaired for 18 years with zero complaints with the Better Business Bureau. We help more people to hear better, than any other local Hearing Center in Colorado Springs.
- 6) **Expertise:** Your hearing is vital, which is why you shouldn't settle for less than a Nationally Board Certified Hearing Aid Scientist to protect it! At Hear-Tech, each of our Hearing Specialists have at least 18 years of experience and each have personally fit over 10,000 digital hearing aids. Our experience and expertise are what make the difference!
- 7) **Warranty:** Most of our aids come with a 3 year warranty.
- 8) **Honesty:** We guarantee that we will not recommend a more expensive aid than the ones we feature in this advertisement.
- 9) Free basic hearing aids for the homeless.
- 10) **60 Day Trial Period** with **100% Money Back Guarantee** and absolutely no pressure to purchase.

HEAR-TECH

Better Hearing through Better Technology!

Testimonial: "At Hear-Tech I saved \$3500 on my hearing aids, but more importantly, I found the service to be superb! They were always on time, very knowledgeable, very pleasant, courteous and so informative. My experience with Hear-Tech could not have been more impressive. I have also recommended two physician friends, and they both had the same experience of excellent service with big savings. I will continue to recommend Hear-Tech to my friends and patients for all of their hearing aid needs!" Wayne Gage, M. D.
